'Alain Lipietz is one of the most interesting economists writing today. . . . He is an intelligent and practical utopian, something of which we have too few.'
Immanuel Wallerstein, Fernand Braudel Center, SUNY

'This is popular political economy at its most imaginative, for a Europe of citizens who acknowledge their global responsibilities.'
John Keane, University of Westminster

'Lipietz's book is packed with interesting and important arguments, ideas and solutions.'
Bob Jessop, University of Lancaster
